

## MountainView-Preserve Men's Golf Association (MPMGA) 2024 Membership Application

The MPMGA provides two membership options for golfers. You may join the MPMGA as a "Full" member or simply maintain your golf handicap index through the MPMGA as a "Handicap Only" member. There are several benefits associated with full membership including the ability to play in weekly Thursday tournament events as well as several special events throughout the year.

*Note: MPMGA homeowners who are full members must maintain charging privileges on their HOA2 resident membership card to participate in regular and special golf events. The fee (\$5 for weekly regular events, special event fees, and lunch charges) will be charged to your account for each event in which you participate. Non-HOA2 residents and renters are required to write a check for all event fees and lunch charges and deposit the check in the MPMGA dropbox in the MountainView pro shop.*

**Online Join/Renew:** Online join/renew through the Arizona Golf Association Member Dashboard is a simple and convenient method of joining MPMGA or renewing your MPMGA membership. All golfers are highly encouraged to utilize online join/renew. Go to [www.azgolf.org](http://www.azgolf.org) and follow the instructions on the attached instruction sheet. If joining/renewing online, do not complete this form.

*Note: There is a \$5 discount for online renewal. **Membership dues for online renewal are \$95 (full) and \$45 (handicap only).***
